ASRA Team Challenge Opener at Roebing Road Raceway on February 29

The American Sportbike Racing Association would like to announce that the first round of the Team Challenge Championship will be at Roebing Road Raceway for 2020. The AMA Sanctioned ASRA Team Challenge Series will have a 9 race national championship giving all ASRA/CCS licensed riders an opportunity to try racing under a different format from the traditional CCS Sportsman events.

The ASRA Team Challenge Series will still have four classes, GTL, GTU, GTO and Overall. ASRA will continue to support each

class with cash contingency as well as support from a myriad of returning contingency sponsors for each class.

The 2020 ASRA Series will kick off at Roebing Road Raceway on February 29 with the ASRA Team Challenge on Saturday and the ASRA/CCS Series Sprints on Saturday and Sunday.

So join us at Roebing Road Raceway in Faulkville GA for a great way to kick off the 2020 ASRA Team Challenge Series and the ASRA/Championship Cup Series Florida/Southeast Sprints on February 29 and March 1. You'll be glad you did!

DAYTONA TT and DAYTONA 200 Combine for 2020 Doubleheader on March 14th, 2020

DAYTONA BEACH, Fla. (October 15, 2019) – American Flat Track (AFT) announced today another big evolution of its jaw-dropping DAYTONA TT season opener by moving to a weekend date on Saturday, March 14. The 2020 running of this Bike Week At DAYTONA spectacle has America's Original Extreme Sport joining forces with another motorcycle racing staple: the iconic DAYTONA 200. With a multi-year agreement between AFT and Daytona International Speedway (DIS), the doubleheader event will usher in a new level of excitement for motorsports enthusiasts.

Traditionally racing two days apart, the DAYTONA TT and DAYTONA 200, sanctioned by the American Motorcyclist Association and operated by the American Sportbike Racing Association (ASRA), will now run together on the second Saturday of the historic Daytona Bike Week festivities. Fans will be able to enjoy the 79th DAYTONA 200 during the day and stay into the evening to cheer on the athletes of American Flat Track at their season-opening DAYTONA TT.

"2020 is shaping up to be a breakout season for AFT," said Michael Lock, CEO of American Flat Track. "After incorporating the Start-Finish banking for the first time at the TT in 2019, we are further enhancing the track design to encourage even more passing into Turn 1 for our season opener in 2020. All this and now combining the historic DAYTONA 200 with the incredible action of the DAYTONA TT is sure to deliver a can't-miss day of action for race fans. We are delighted to be partnering with DIS and ASRA to bring an unparalleled experience to Daytona Bike Week."

The 2019 running of the DAYTONA TT made history as AFT introduced

a multi-surface racetrack by incorporating the front stretch of the historic Daytona International Speedway tri-oval into its purpose-built dirt TT course. 2020 will see this taken to the next level with further track enhancements.

Coupled with the back-to-back motorcycle race action will be a myriad of activities in the UNOH Fanzone including live music, Kids Zone, Rider Meet & Greet, official merchandise and more.

"This will be a doubleheader unlike any other in the history of Daytona International Speedway," said Chip Wile, President of Daytona International Speedway. "Combining the longstanding Bike Week At DAYTONA traditions of the DAYTONA 200 and American Flat Track into one day will deliver the ultimate experience for fans of motorcycle racing. Bike Week At DAYTONA will be even more exciting and in the process, even more memorable."

Tickets for the first-ever doubleheader – DAYTONA 200 and DAYTONA TT – at the legendary Daytona International Speedway are on sale now for a special early bird discount. Watch both historic motorcycle racing events for just \$30 when you purchase a General Admission ticket online. Early bird pricing valid now through October 31, 2019. Get yours at tickets.americanflattrack.com.

Tickets for all motorcycle racing events are available by calling 1-800-PITSHOP or online at <http://www.daytonainternationalspeedway.com>

Reminder on Transponder Program for 2020

We would like to remind you that it is your responsibility to activate your transponder before entering the track for practice or races.

If your transponder fails to activate, you are to pull off to the side and notify officials immediately for reactivation or temporary replacement. If you fail to do this, you may not be scored, and nobody wants that to happen.

So please go slow and check for the activation light (multiple flashes) on the top of your unit while going through activation

area. And if there is a problem, ask for help immediately so we can insure you have the very best racing experience with us.

For those of you who want to skip the activation step, we have 12 volt hard wired Westhold transponders and rechargeable transponders available for a discounted price of \$180, a \$30 savings from suggested retail.

For those in the Team Challenge, you will still be required to rent or own a MyLaps transponder for 2020 events.

Thanks for your support of ASRA and CCS racing!

Amateurs Upgraded for 2020

Congratulations to the Amateurs who have been upgraded to Expert for the 2020 season. The riders listed on this page have met one or more of the criteria for advancement: scoring 400 points in a single season (from all classes run), won a track championship, won a regional class championship or finished in the top 5 at the 2019 CCS Race of Champions.

If you find yourself on this list and want a further explanation on how you got there, contact the office via email at Info@CCSRacing.us and we will give you a complete rundown of why you were advanced.

If you are on this list and are petitioning to remain an Amateur for 2020 (or asking for your once per career downgrade), please make certain you completely fill out your license application and attach a letter stating the reason (or reasons) that you should be allowed to retain that status. No evaluations will be made without the license application accompanied by the written request.

ASRA Contingency

The greatest feature of this ASRA contingency is how easy it is to qualify for the reward. Simply fill out your contingency form and have the technical inspector verify you have the correct AMA and ASRA Series stickers displayed on both sides of the machine used in the eligible class. That's it, that's all you have to do.

ASRA Contingency Requirements:

All machines must display an approved AMA and ASRA Series sticker on both sides of the machine. A completed ASRA contingency form must be presented, with each motorcycle, at tech inspection for official verification. All forms must be presented and signed at tech inspection with the motorcycle before racing starts. To officially be considered a finisher, you must meet the requirements found in 3.4.7 with regard to placement on the results.

ASRA Contingency Restrictions: ASRA Contingency rewards are scheduled to be processed and mailed out within 45 days of the event, so if you have not received your award by 60 days after the event, contact the ASRA/CCS office at 817-246-1127 or email Eric Kelcher at contingency@ccsracing.us. Inquiries made later than 75 days past the event will not be accepted.
